Rumble — FALLEN ANGELS -The "Entity" hidden in Antarctica, Giants, Nephilim - Steve Quayle interview, Israeli News Live Part 1

We are living in biblical times. I realize this is an older interview but I found it to be interesting, so I am sharing it with you. We do not always have to agree with everything someone posts/says, but we can always learn something from others. I love my family but I certainly do not always agree with everything they believe, but it does not make me love them less. I see so many today judging others harshly if they post content that they do not agree with or does not fit a certain narrative. I pray we judge others less, learn & discuss more. We are fighting a common enemy who are pure evil and we need to help our brothers and sisters during this time. This is a spiritual awakening. God Bless Everyone.
